OUR SERVICES

The Pregnancy Resource Center's clinics offer medical and counseling services to women and men with unplanned pregnancies. With locations in Blacksburg and Radford, we serve the entire New River Valley. All of our services are available to our clients completely free of charge.

Our clinics offer counseling and accurate medical information about all pregnancy options; however **we do not perform or refer for abortion procedures.**

WILL YOU HELP?

Our work is made possible through the generous support of our financial partners. Every financial gift, no matter how great or small, helps us continue these vital ministry and outreach efforts. Please prayerfully consider how you might contribute.

BABY BOTTLE CAMPAIGN

WHAT IS THE BABY BOTTLE CAMPAIGN & HOW DOES IT WORK?

The **Baby Bottle Campaign** is an easy and fun way for your church or group to give to the Pregnancy Resource Center of the New River Valley! We provide you with as many bottles as you need, bulletin inserts, posters, and a step-by-step guide for how the Campaign works. You distribute the bottles – one to each person, group, or family – to be filled with coins, cash, or checks.

When you return the filled bottles to the PRC, we'll count the contents and let you know how much your church or group raised! The Campaign can bring some significant support for the women we serve.

TO PARTICIPATE IN THE BABY BOTTLE CAMPAIGN, CONTACT US TO GET ALL THE MATERIALS FOR YOUR CAMPAIGN:

- Call our Blacksburg office at 540-552-5556 or our Radford office at 540-838-2138 and arrange to pick up the materials from either office or have them delivered to you.
